Discussion was had about a member that was banned from the District 32 GSR meeting last year. A year has expired and the member has adhered to the expectations of the members at the meeting. DeAnne suggested that each chair position fill out a "Chair Report" that can be handed in to DeAnne at the meeting. This will ensure that all information is recorded properly. Morgan announced that will be making up a District 32 newsletter that will contain the District's monthly minutes and other events happening around the District.

Meeting adjourned at 8:30pm with the Responsibility statement.
